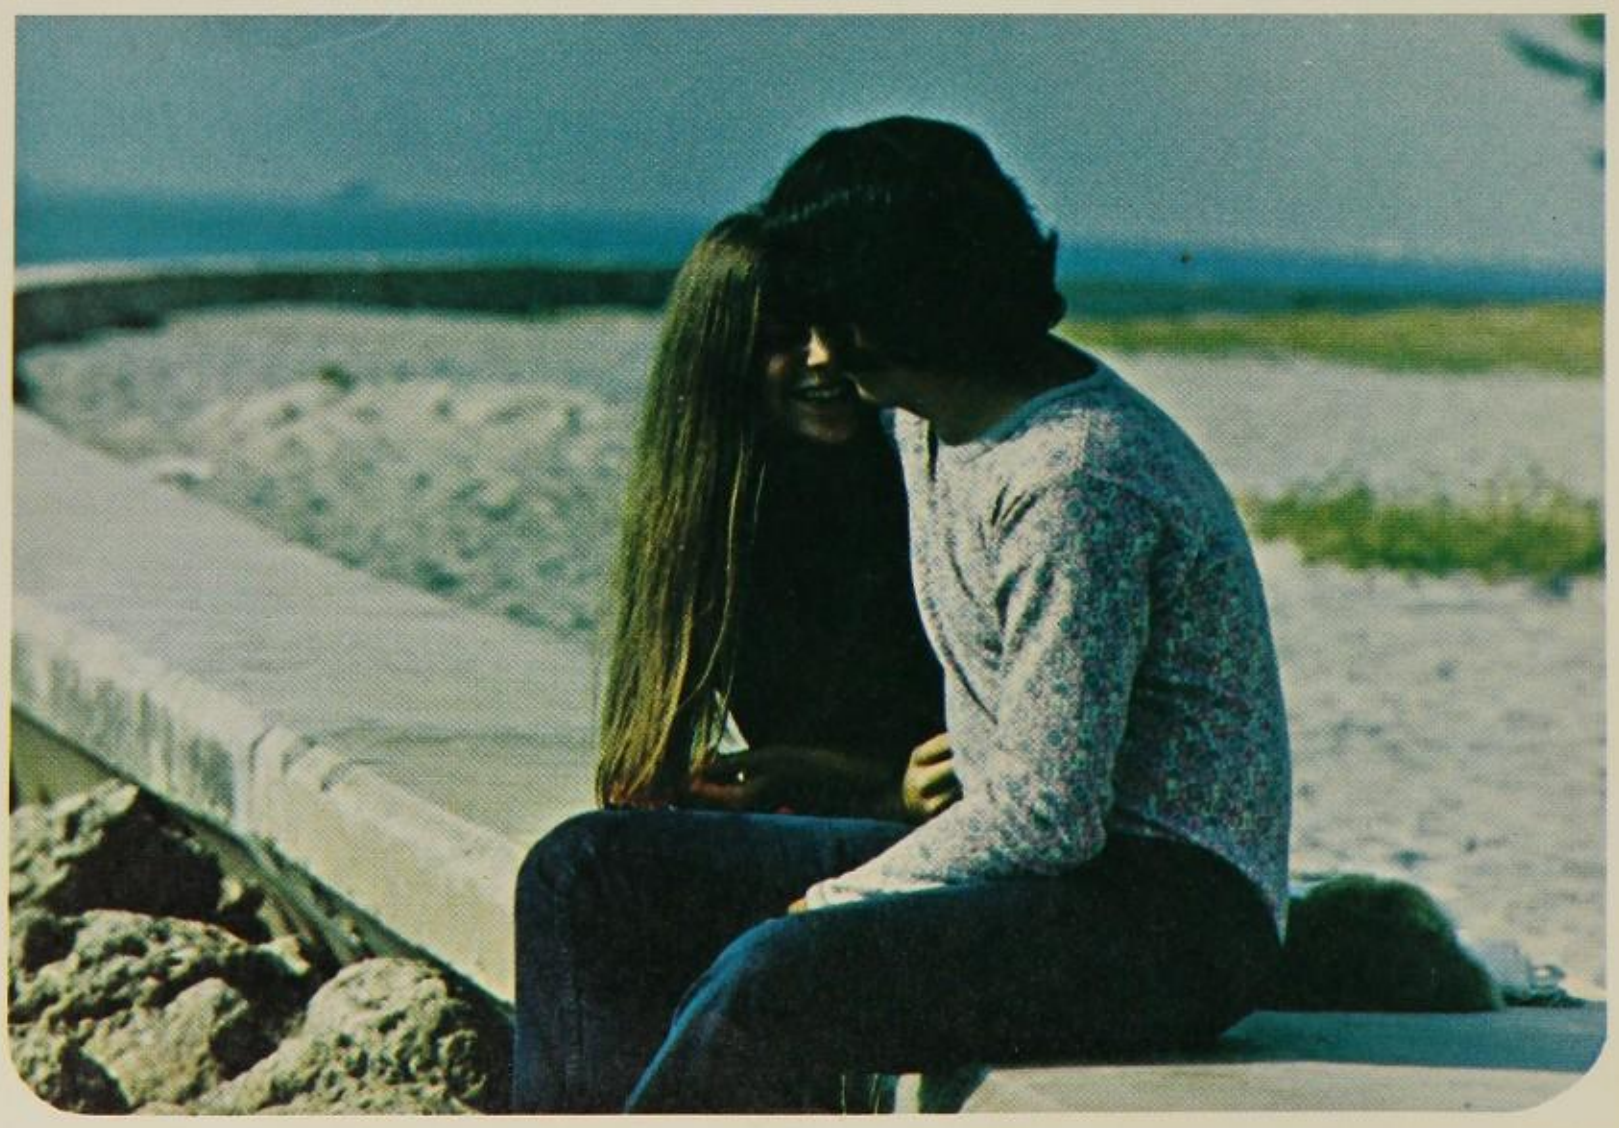
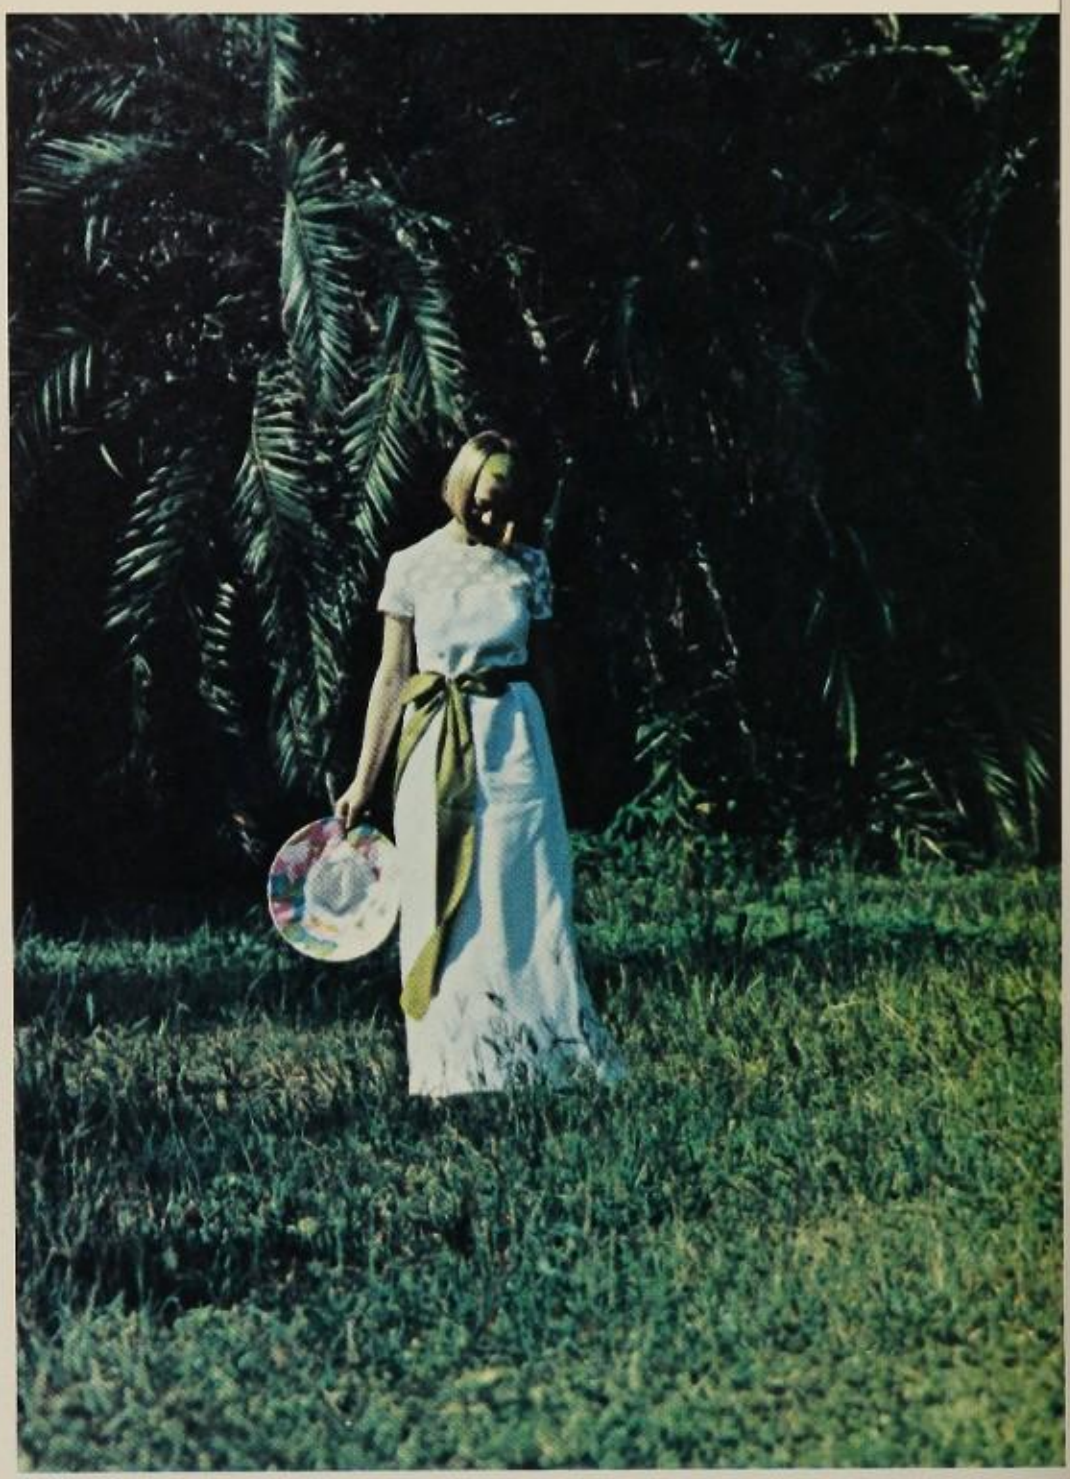
Introduction

MIAMI CAROL CITY

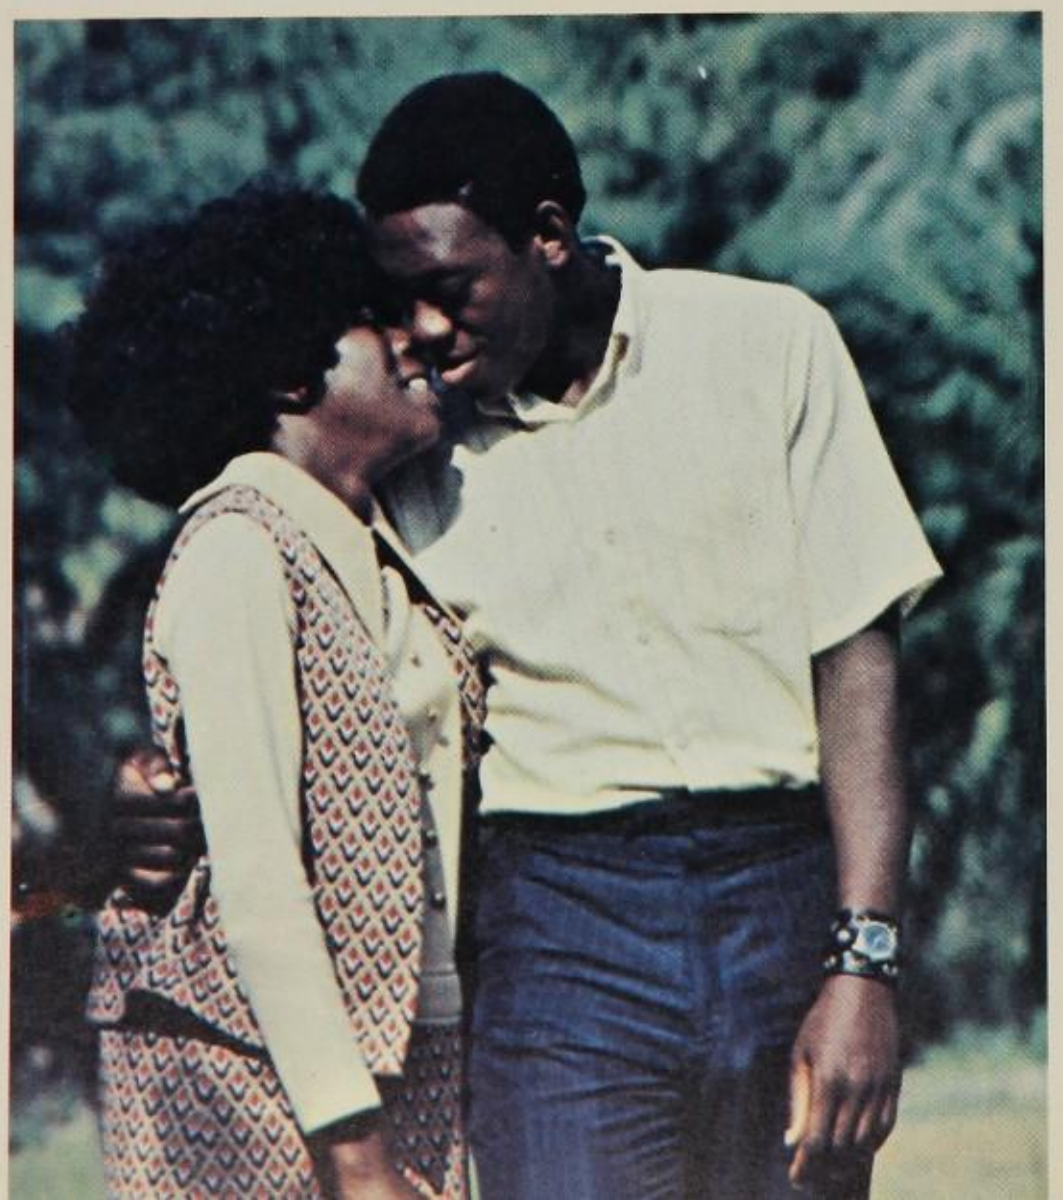


We've Only Just Begun

To Live



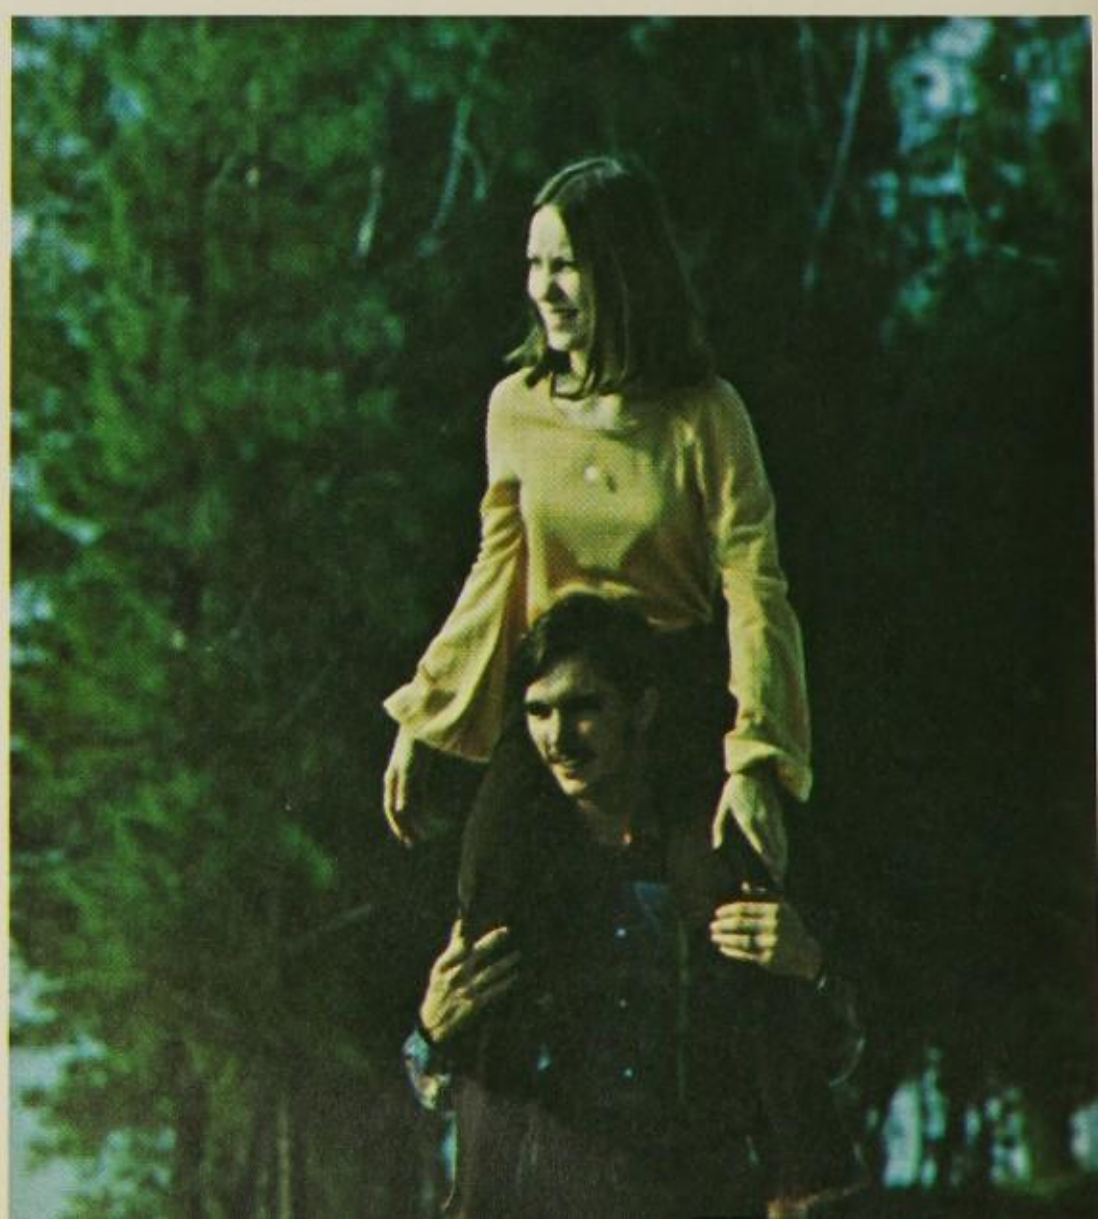
White lace and promises,



A kiss for luck and we're on our way.

And Yes, We've Just Begun

Sharing horizons that are new to us,

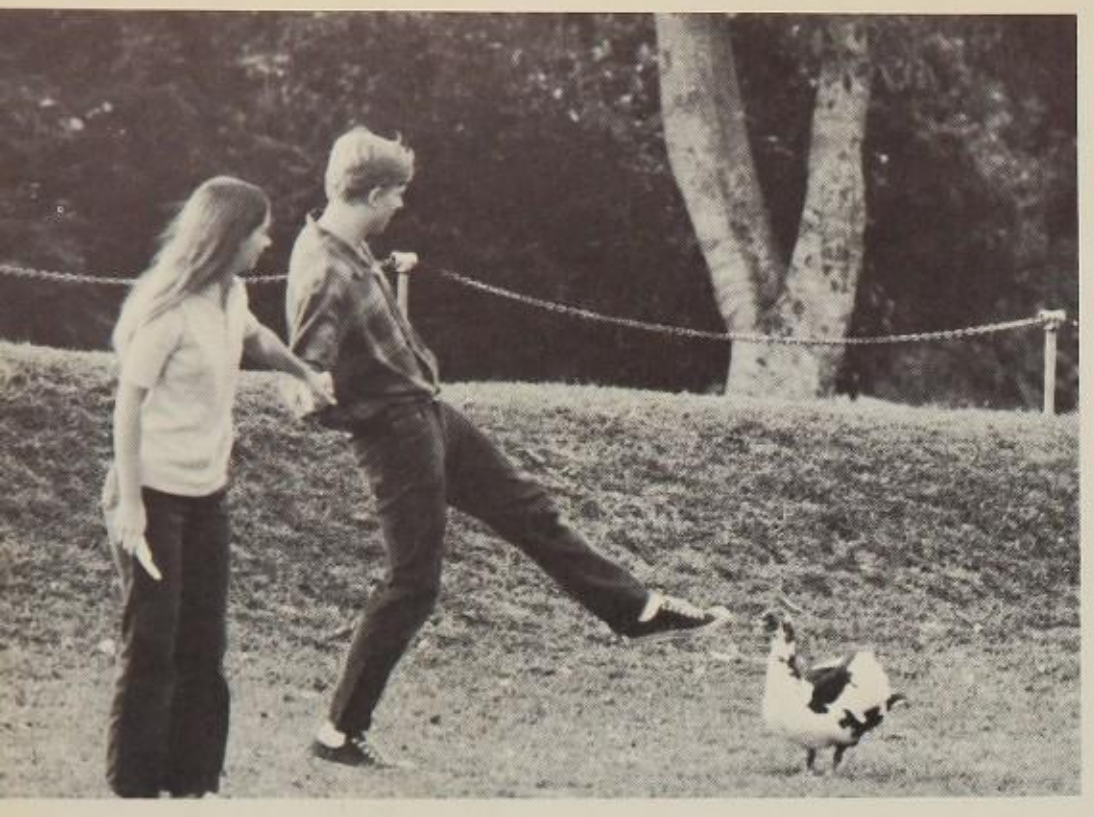


Watching the signs along the way.

Talking it over just the two of us,

Working together day to day,

Together



And when the evening comes, we smile.

So much of life ahead.

We'll find a place where there is room to grow.

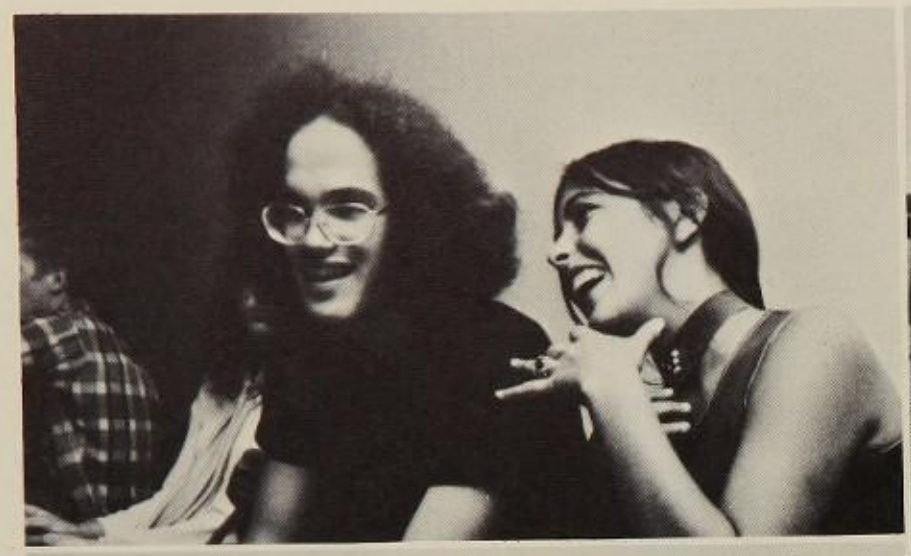
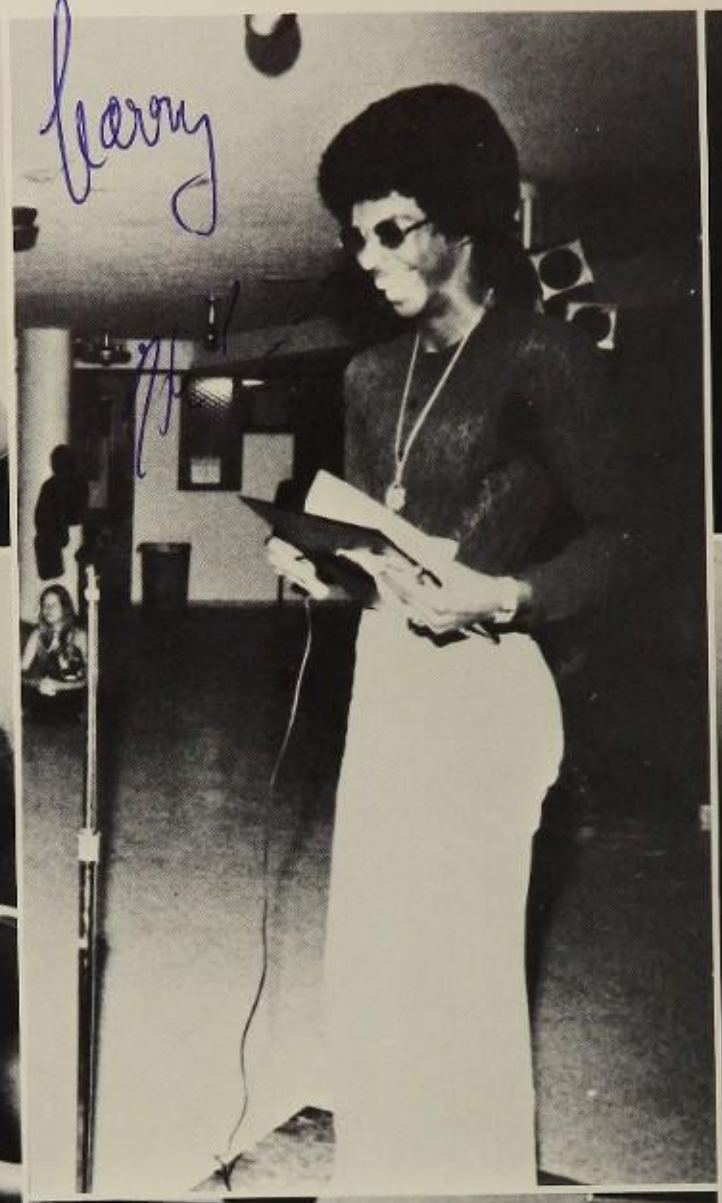
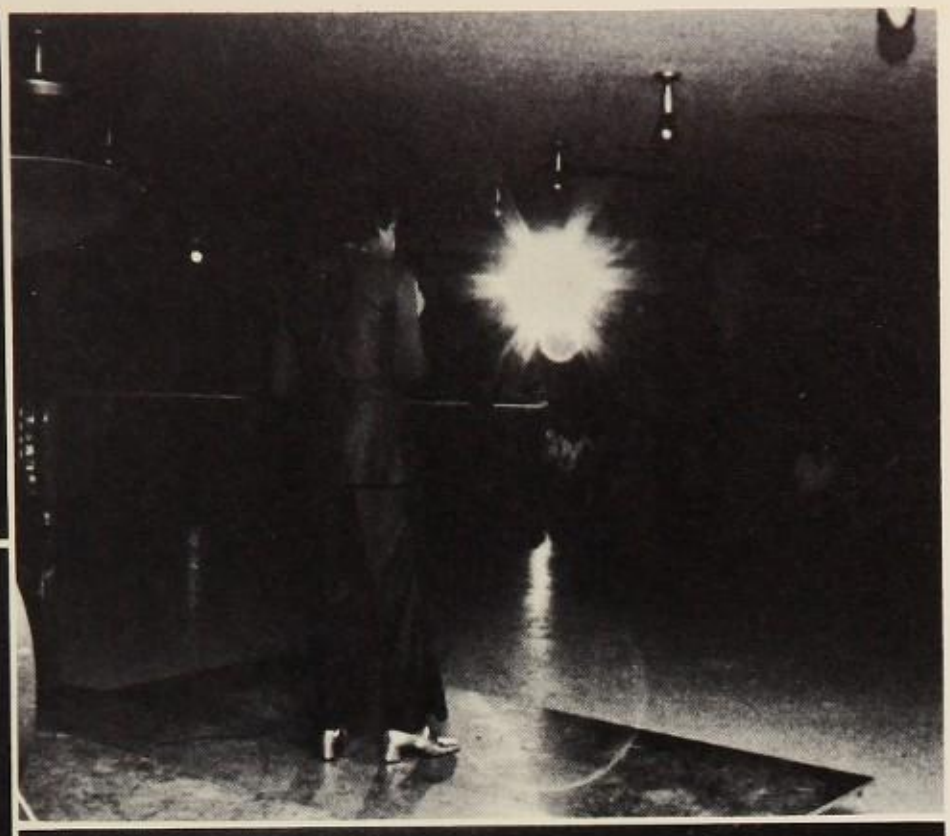
Student Life







Village Gate

Each year the Drama Department of Miami Carol City presents Village Gate, an event with a night club atmosphere that consists of singing, dancing, comedy skits and other forms of entertainment. Under the direction of Mr. Marshall Cohen, MCC's drama coach, the cast is made up of any student who has talent and wants to participate. This year's first Village Gate was presented October 1 and the audience reaction was so favorable a repeat production was held November 16.

Homecoming 1970

"I guess I'm just emotional because I was crying even before the announcement of the Homecoming Queen, especially since I'm the first black queen of Miami Carol City – and I am happy!" was Mary Adderly's reaction to being crowned the 1970 Homecoming Queen.

The Court was announced at the Senior Pep Assembly, Friday, November 20th. They are as follows: Pam Dorion, June Farquharson, Bonnie Gordon, Mary Jablonski, Peggy Lee, Vernet Pegues, Candy Strickland, Caroline Summerset and Brenda Watkins.

MCC's annual Homecoming week with its traditional festivities such as Shabby Day, Cowboy and Indian Day and Color Day came to a victorious end as our mighty football team crushed the North Miami Pionees with a score of 60-2.

The Cooperative Education Clubs of Florida is a combination of two co-op programs, which consists of seniors. CBE and CHO students both attend school in the morning and work in the community in the afternoon in various vocational fields. The CBE students represent MCC in a variety of clerical and secretarial positions at business establishments – legal offices, banks, retail stores, the telephone company, and churches. The CHO students are employed in health facilities as assistants to trained medical personnel – for example: nurse aid, orderly, dental assistant, and numerous other specialty areas. As one club, the members brought back the following honors from the competitions at the District 10 Conference involving all Dade County high schools: Governor – Deloras Lane, First in the Job Interview Contest – Vernell Palmer, First in the Spelling Contest – Laurel Hannan, Second in the Typing Contest – Sharon Keller, Third in the Public Speaking Contest – Deloras Lane. Other activities they have participated in are: bake sales, car washes, Christmas caroling, selling Poly Fluffs, ankle bracelets, senior motto patches, a Bar-B-Que, and the Employer-Employee Banquet.
